Spa Reservations

We recommend scheduling your spa reservations well in advance due to the high demand and specific nature of our spa offerings. Resort guests are encouraged to book their spa treatments at the time of booking their resort accommodations. We encourage you to arrive at least 30 minutes before your scheduled spa treatment to enjoy numerous amenities. If you arrive late, your treatment may have to be shortened to accommodate the next scheduled guest. At the end of your spa day, please check out with the spa receptionist.

Cancellation Policy/ Late Arrivals

Reservations must be canceled at least 24 hours in advance of your scheduled spa treatment. Treatments canceled less than 24 hours in advance and no-show appointments will be billed at their full price. If you are running late, the courtesy of a phone call is always appreciated. Your arrival time will determine the length of your treatment time, which will end as scheduled so the next guest appointment time may be honored.

Service Payments

As a convenience, an automatic 20% service charge is added to all treatments, food, and beverage items. This charge is not discretionary.
